

DENES KU KLUX FAVORS SOUTH

Imperial Wizard of Klan
Says Attacks React in
Its Favor.

DENIES NEGRO HATRED

Cites Civil War Experiences
To Show Northerners
Took Lead Part.

ATLANTA, Ga., Nov. 20.—Injustice done the modern Knights of the Ku Klux Klan, whether intentionally or because of ignorance of the facts, through published reports that this organization was identified with night riders and gin burners and was "terrorizing negroes throughout the South," has reacted in favor of the Klan, according to Col. William J. Simmons, Imperial Wizard of the organization.

Col. Simmons says that since these reports were published his office has been swamped with letters from all sections of the country, many of them from men who stand high in the affairs of the nation, expressing their belief in the true aims and purposes of the Ku Klux Klan.

Questioned on Sectionalism. In many of these letters Col. Simmons is asked as to reports that the Ku Klux Klan is a sectional organization—that it accepts none but Southern members. In this connection the Imperial Wizard says: "Any native-born white American citizen, who believes in the Christian religion and who owes allegiance to no foreign government or institution, religious or political, may become a member of the Ku Klux Klan, provided his character is good."

Southern History Memorialized. According to Col. Simmons, the reports that the modern Klan accepts none but Southern men as members originated in the fact that it is designed as a lasting memorial to and bears the name of the original Klan of the reconstruction period and which was so closely identified with Southern history following the civil war.

"But, even at that," said Col. Simmons, "the original Klan was not composed entirely of Southern men. On the contrary, many of the men who fought in the Union army, who made their homes in the South after the war, were members of that organization."

Gen. Pike a Northerner. Gen. Albert Pike, born and reared in Massachusetts, was the chief judicial officer of Gen. Nathan E. Forrest, chief of the old Klan. Gen. Pike came to Arkansas in the fifties to live and when the war began he enlisted as a private in the Confederate army and rose to the rank of brigadier general.

Many Not From South. "Our organization has many members who have never seen the South," said Col. Simmons, "because they have no mistaken view about what the order stands for. It is non-political, as shown by the fact that its membership includes leading Republicans and Democrats, and among them are several members of Congress."

"Any real man, any native-born white American citizen, who is not affiliated with any foreign institution and who loves his country and his flag, may become a member of the Ku Klux Klan whether he lives North, South, East or West. The Ku Klux Klan is outspoken in its principles and beliefs, but it seeks no quarrel with any man who disagrees with it and at all times it stands for law and order and the preservation of peace with honor."

CITIZENS' ASSOCIATION URGES TRAFFIC CARE

Urging pedestrians to exercise the same caution as that required of motorists, William B. Westlake, president of the Federation of Citizens' Associations, yesterday sent out an appeal to members of the federation, asking their assistance in the safety campaign of the Police Department.

"Personal observance of traffic regulations as to crossings," read the statement in part, "combined with assistance to the aged and to children wherever there is danger, will have an immediate effect in reducing the number of such accidents. Let every member of the citizens' associations help in every way possible to solve this distressing problem."

November Blizzard Ruins Fruit Trees in Virginia

LURAY, Va., Nov. 20.—As reports of the destruction of apple orchards in this county, due to the unprecedented November blizzard which swept over this county last week, they show that the damage has been perhaps the heaviest ever known from this cause. Orchard men say that the loss will run into the thousands of dollars in fruit trees that have been broken down or splintered by the heavy weight of snow or ice.

In some parts of the county where orchards were just beginning to come into bearing the destruction is so great that the shattered hulks of the trees will be pulled up and the land converted into farming purposes. In the Blue Ridge alone of this county the loss in timber will reach a vast sum.

Bank President Fails In Stolen Jewel Quest

DANVILLE, Va., Nov. 20.—R. W. Leigh, president of the Bank of Halifax, blown and riddled by cracksmen over a month ago, has returned to Houston from Roanoke, where he went to see if any of the gems contained in the loot were taken from his bank.

All the property received at Roanoke he says, came from the Glasgow bank and there was no trace of the Dorsey estate heirlooms valued at several thousand dollars which were taken away. The belief prevailed that the men arrested were responsible for the Halifax outrage.

D. C. Pastor Gets New Post.

FREDERICKSBURG, Va., Nov. 20.—Rev. Dr. Daniel E. Medley, formerly president of Washington Christian College, Washington, D. C., has accepted a call to the pastorate of the Christian Church in Fredericksburg.

Bank Keys Lost; Locksmith Dead; City in Bad Luck

CHARLOTTESVILLE, Va., Nov. 20.—Charlotteville, probably the most up-to-date city in Virginia, has no locksmith, and an appeal has been made to the newspapers to find one who desires to locate here.

Just at this time there are a large number of safe deposit boxes in Charlottesville, but the keys of which have been lost. Efforts have been made to "pick" the locks, but amateurish tools were used, and the locks failed to respond to the "picking."

Women who have jewelry in some of the boxes sought to unlock them with hairpins, and even took a curling iron, it is said, to her bank, but the lock stayed locked.

BABE SLAYER GETS LIFE TERM

Pasquale, Who Kidnapped
Coughlin Boy, Merely
Stares at Judge.

NORRISTOWN, Pa., Nov. 20.—Life imprisonment is the penalty August Pasquale is to pay for kidnapping and causing the death of baby Blakely Coughlin last June.

Pasquale, clean shaven for the first time since his arrest, slouched before Judge Swartz in court here today and heard the words which consigned him to the penitentiary for the remainder of his earthly existence. He stared dully at the judge and paid his attention to what was going on around him.

No sentence was pronounced on the charge of second degree murder brought against Pasquale when he confessed the Coughlin baby was smothered under his overcoat, and that he cast the body into the river. Judge Swartz said he would reserve sentence on that charge and pass on it in the future if events should warrant it.

The sentencing of Pasquale brings to an end one of the most sensational kidnappings cases since the famous Charles Ross disappearance.

FRATERNITIES PLEDGE 21 G. W. U. STUDENTS

Twenty-one additional students at George Washington University have been pledged to membership in fraternities at the institution. The new members follow:

Sigma Phi Epsilon fraternity, Joseph C. Fehr, law school; J. Paul Conner, engineering college, an Harold B. Willey, C. Melville Walker and Marvin E. Murphy, Columbian college; Kappa Beta Pi fraternity, Miss May Steeley, Theta Lambda Sigma fraternity, Misses Wanda Castle, Vera Johnson and Ruth Hedden, all of Columbian college; Pi Beta Pi fraternity, Misses Elizabeth Brooth, Ethlyn Bradley, Vivian Bradley, Ione Kitchen, Marjorie Ludlow, Ellen Littlepage, Beatrice Mason, Thelma Reeves and Irma Schold, all of Columbian college; Kappa Alpha fraternity, Richard Henry Lee and Denver Dudley, law school, and Charles Conley, Columbian college.

The Engineering Society at the university will give a dance at the Cairo apartments on the evening of December 1.

ST. JOHN'S TO START SCHOOL FOR TEACHERS

A normal school class in commercial subjects will be organized next month at the St. John's College near High School of Commerce and Finance at 1311 Massachusetts Avenue northwest. Public and private school teachers will comprise the class.

We find there are many teachers in Washington instructing in academic subjects, desirous of securing a training in technical commercial subjects," Bro. D. Edward, president of the college, said, in announcing the school last night. Sessions will be held each Saturday morning with a trained corps of instructors in charge.

Montgomery County

ROCKVILLE, Md., Nov. 20.—A wedding of more than usual interest took place this afternoon when Miss Eva May Beall, daughter of Mr. and Mrs. W. Vernon Beall, of Rockville, and Hugh O. McKennie, of Washington, were married by Rev. P. P. Rowland Wagner. The bride's only attendant was her sister, Mrs. Arthur Ealy, of Takoma Park. Harry S. Beall, of Rockville, brother of the bride, was best man.

Miss Lillie Mae Offutt, daughter of Mr. and Mrs. George M. Offutt, of Potomac, and Ernest Clayton Ricketta, of Darnestown, were married this afternoon by Rev. Dr. Blubaker.

Mrs. Mary W. Carlisle, wife of Alexander G. Carlisle, well-known resident of Gaithersburg, died yesterday in Washington. She is survived by her husband, a son and a daughter.

Miss Louise R. Crebbs, of Mechanicville, Va., and Wingfield W. Morris, of Charlottesville, Va., were married here today.

The disappearance of a pint of real whisky from the Circuit Court room here, where it had just been used as evidence in a local option case, caused considerable excitement among court attachés and lawyers yesterday afternoon. Apparently conscious of a duty well performed, the bottle of liquor was reposing peacefully on the desk of the clerk of the court when it suddenly disappeared.

Sheriff Nicholson and the court bailiffs instituted a search, but soon became convinced that the mystery was impossible of solution.

A license was issued by the clerk of the Circuit Court here today for the marriage of Miss Ruby-Frances Purvis, of Shipman, Va., and Joseph E. Stacks, of Washington.

LOSERS SPENT OVER MILLION

Democratic National Committee Files Its Election
Expense Account.

TOTAL SUM \$1,308,007

Bernard Baruch and Allen
A. Ryan Head List of
Contributors.

ALBANY, N. Y., Nov. 20.—The Democratic National Committee spent the sum of \$1,308,007 in the recent Presidential campaign, according to the statement of the committee treasurer, filed with the election bureau of the Secretary of State's office today.

To meet its expenses the committee reported a total of \$1,316,957 collected, and refunds (from the sale of office furniture) of \$538, making a total of \$1,321,655 available to meet obligations. The money was collected apparently on a zoning system and New York headquarters furnished nearly all of the funds, reporting \$1,190,543 with \$12,535 from the woman's bureau of headquarters. Chicago headquarters raised \$82,932; San Francisco, \$4,825, and Washington, \$73,350.

Candidates Gave \$5,000 Each. Of the money raised Gov. Cox contributed \$5,000 and Franklin D. Roosevelt \$5,000.

Among the large contributors were Bernard M. Baruch, New York, \$45,000; Allen A. Ryan, New York, \$45,000; Thomas M. Chadbourn, New York, \$20,000; Joseph E. Guffey, Pittsburgh, \$21,700; Rembrandt Peale, Carrollton, Pa., \$10,000; E. L. Doherty, New York, \$5,000; Norman E. Mack, Buffalo, \$5,000; Charles R. Crane, New York, \$7,500; Mrs. Anita McC. Blaine, \$7,225.

Those contributing \$5,000 were: Edward M. Hurley, Chicago; August Belmont, New York; Joseph R. Willard, New York; M. Liebel, Jr., Erie, Pa.; W. L. Douglas, Brookline, Mass.; Francis B. Harrison, Manila, P. I.; Michael Egan, Scranton, Pa.; Mrs. Emmans Blaine, Chicago; Cleveland H. Dodge, New York; Joseph H. Davies, Madison, Wis.; Thomas P. Ryan, New York; Nathan Straus, New York; Daniel H. Coakley, Boston; W. A. Coolidge, Boston; C. W. Watson, New York; Cyrus McCormick, Chicago; P. J. Ryan, Joliet, Ill.; J. D. Beatty, Washington; and Francis P. Garvan, Washington.

\$17,000 Spent in Massachusetts. Apparently a particularly strong Democratic drive was intended in Massachusetts as the committee report shows the largest amount, \$17,000, was apportioned that State. New York State received \$3,000, of which \$1,500 was specifically for Erie County.

COURT DENIES WRIT TO REALTY CONCERN

The District Court of Appeals yesterday denied the application of the Southern Realty Corporation for a writ of prohibition against the Rent Commission and certain tenants of the office building at the corner of Fifteenth and H streets northwest. The corporation asked that the Rent Commission be prohibited from proceeding with any matter in which the Southern Realty Corporation was mentioned.

No reasons were assigned by the Appellate Court.

CEDAR RUST LAW UPHELD BY COURT

WINCHESTER, Va., Nov. 20.—The act of the Virginia General Assembly of several years ago, known as the cedar rust law, has been held constitutional by the Supreme Court of Appeals. The law was attacked in Shenandoah County about a year ago, when a vigorous campaign was conducted, by commercial apple growers against red cedar, which causes cedar rust to appear on apples.

When Food Doesn't Digest

Give the Stomach a Rational Rest by Proper Aid, Not by Harsh Starvation Methods. Use Stuart's Dyspepsia Tablets.

A sour stomach may indicate an acid condition that calls for an alkaline effect. This you will get from one or two Stuart's Dyspepsia Tablets after a meal. Sour risings, gasiness, a heavy bloated feeling and such distress due to indigestion or dyspepsia are usually only temporary. And yet they may lead to serious disorder. The regular use of Stuart's Dyspepsia Tablets after meals reflects to a high degree the intelligent selection of preventive measures.

One cannot always select or inspect the quality of food to be eaten nor its method or manner of preparation. But it is possible to avoid the acidity that is so often the result. And it is a far better plan to eat without worry over what may happen than to starve for fear it will happen. Many physicians recommend these tablets for stomach distress due to indigestion or dyspepsia.

They are sold by all druggists everywhere at 50 cents a box.—Adv.
